ARDINGTON SCHOOL OF CRAFTS

2019 PROGRAMME
Welcome to Ardington School of Crafts

We provide a place to learn, design and create. We host workshops and short courses in a wide range of traditional and contemporary arts and crafts, and regularly add to the programme. Please check our website for latest additions.

Ardington School of Crafts has a reputation for excellent tuition and a welcoming atmosphere. It is housed in a lovely Victorian school building in the beautiful village of Ardington, South Oxfordshire. The tranquil surroundings and the high quality of tuition provide a creative and relaxed environment. Students say they feel at home here and return again and again.

Our classrooms are spacious, flooded with natural light and are a pleasure to work in. We have views over grazed farmland and an attractive garden for sunny days, as well as lunchtime walks around the village, along the river and in the neighbouring woodland.

Why not take some time out of your busy schedule and immerse yourself in arts and crafts for a day or two? Discover a satisfying pastime and also a place to relax and recharge.

- courses are between 1 and 3 days
- complimentary refreshments, a home-made lunch and afternoon cakes are provided.
- London is just 45 mins by train
- there are plenty of local B&Bs if you want to stay over
- we have ample free parking right outside the school door - no long walk with all your equipment

We hope you find something you like in this brochure and that we are able to welcome you to the School in 2019.
