

To produce a Gift Card that you can give in person...

- Print this instruction sheet
- Purchase an eGift Card as instructed on the website, but send it to yourself at your own email address
- Write the Redemption Code (not the Order number) that you receive by email in the relevant box on the Gift Card below (*Example Redemption Code: 94VHFVEHT6UD*)
- Write the value in the relevant box on the Gift Card
- Present to the lucky recipient in a card of your choosing...simple!
