## Equipment & Materials List

### ONLINE Linoprinting: Jigsaws & Reduction Cuts

Wed 26th June 2024 at 10am

#### Students will need:

- LINO! Whatever sort you prefer to work with – traditional hessian backed lino or soft-cut / easy-cut lino
- Rollers and linocutting tools (a basic set is fine)
- Lightweight cartridge paper or Japanese paper such as Hosho
- Firm cardboard to make a registration device (the back of a sketchpad or piece of mountboard is ideal) A4 x 2 pieces
- Printing inks....these can be waterbased block-printing inks (Daler-Rowney and Schminke do small tubes) or an oil-based or hybrid ink such as Caligo Safewash Relief Ink (available from Handprinted)
- Soft pencil (HB or softer)
- Biro
- Dark wax crayon (optional)
- Scissors and craft knife
- Dessert spoon
- Masking tape
- Tracing paper or greaseproof paper
- Cheap lightweight paper for sketching / rubbings
- Something smooth to roll the ink onto e.g piece of Perspex or acetate
- Washing-up sponge, cotton buds, J-cloth
- Kitchen roll
- Baby wipes
- Apron
- Gloves if you don't like getting inky!
